

The creation of a brand, look and website tends to involve a few people. The 2022 revamp of psychicandenergywork.com.au is a moment I'm proud of. A big thank you to those who've assisted as sounding boards, advisers, creatives and designers. Specifically....

Natalie Wood, website designer and guru, at webfresh.com.au

Dean Galati, graphic and creative designer, at idlewilde.net.au

Philippe Flatt, photographer, at imagetechneque.com.au
